

SZKIC ZAKRESU ROBÓT

skala 1:500

The drawing is a technical sketch of a sewerage project area, showing a plan view of the sewerage network. The area is bounded by a grid of streets and buildings. The streets shown include Plac Klasztorny, Koscielna, Sw. Ducha, Szeroka, Rzeźnicka, and Wolna. The buildings are labeled with numbers and letters, indicating their location and size. The sewerage network is shown as a series of lines, with a legend indicating the scope of work: 'nawierzchnia do przebudowy' (surface to be reconstructed) and 'nawierzchnia do naprawy po rozkopach' (surface to be repaired after excavation). The drawing also shows the 'proj. kanalizacja deszczowa' (projected storm sewer) and 'proj. ciepłociąg' (projected heating line). The drawing is titled 'SZKIC ZAKRESU ROBÓT' and 'skala 1:500'.
